1. It is requested that you convey to [REDACTED] confirmation of certain telephonic discussions between this office and [REDACTED]. It has been ascertained that USAF Headquarters and [REDACTED] of AMC are agreeable to permitting several engineers from the QRC Facility at [REDACTED] proceed to [REDACTED] for the purpose of conferring with certain officials there. They will examine a "Special Purpose RF Pre-amplifier" and learn the peculiar problems associated with its construction. After returning to [REDACTED] they will assess the capability of the QRC shop to build six (6) "Chinese copies" of the equipment. If their investigations yield an affirmative answer regarding capability, [REDACTED] QRC will then submit a proposal to USAF to that effect. The proposal will be forwarded to us for consideration.
